Other EFT Transactions. You may access certain account(s) you maintain with us by other EFT transaction types as described below.

Electronic Check Conversion. You may authorize a merchant or other payee to make a one-time electronic payment from your account using information from your check to pay for purchases or pay bills. Electronic check conversion is a payment process in which a merchant or other payee (after obtaining your authorization) uses your check to gather routing, account, and check number information to initiate a one-time EFT. When information from your check is used to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day you make your payment. This type of EFT transaction involving a consumer account is covered by the Electronic Funds Transfer Act and this disclosure. A description of the transaction will appear on your statement.

Re-presented Check Transactions and Fees. You may authorize a merchant to electronically collect a fee associated with the re-presentation of a check that is returned due to insufficient or unavailable funds. The resulting fee transaction if debited as an EFT from a consumer account is covered by the Electronic Funds Transfer Act and this disclosure. When a merchant re-presents a check electronically, that transaction is not covered by the Electronic Funds Transfer Act or this disclosure. A description of the transaction will appear on your statement.

The following limitations may be applicable to your accounts, except as provided by law:

Liability for Unauthorized MasterCard Point of Sale Debit Card Transactions. Tell us, **AT ONCE**, if you believe your MasterCard point of sale debit card has been lost or stolen or of any unauthorized transactions. Your liability for unauthorized use of your point of sale debit card with the MasterCard logo when it is used as MasterCard point of sale debit card will not exceed (A) Zero dollars (\$0.00) if the conditions set forth below have been met, or (B) if those conditions have not been met, the lesser of fifty dollars (\$50.00) or the amount of money, property, labor, or services obtained by the unauthorized use before notification to us. Zero liability will apply only if: (1) you can demonstrate that you have exercised reasonable care in safe-guarding your card from the risk

of loss or theft: and (2) you have not reported two or more incidents of unauthorized use to us within the preceding twelve (12) months; and (3) your account is in good standing. These liability limits apply only to United States issued MasterCard branded cards. If the transaction does not meet the conditions set forth above, these limits with respect to unauthorized transactions may be exceeded to the extent allowed under applicable law (see Liability for Unauthorized Transfers paragraph below). For specific restrictions, limitations and other details, see your Cardholder Agreement. "Unauthorized Use" means the use of your point of sale debit card by a person, other than you, who does not have actual, implied, or apparent authority for such use, and for which you receive no benefit. To notify us of lost or stolen cards, or of unauthorized transactions, call or write to us at the telephone number or address set forth below. This will help prevent unauthorized access to your account and minimize any inconvenience.

MasterCard is a registered trademark of MasterCard International Incorporated.

In addition to the limitations set forth above, the following limitations may be applicable to your accounts:

Liability for Unauthorized Transfers. Tell us **AT ONCE** if you believe your online banking PIN has been lost or stolen or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within two (2) business days after you learn of the loss or theft of your card or code, you can lose no more than \$50.00 if someone used your card or code without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your card or code, and we can prove that we could have stopped someone from using your card or code without your permission if you had told us, you could lose as much as \$500.00. Also, if your statement shows transfers that you did not make, including those made by card code or other means, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods. If you believe that your card or code has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call (217)593-7756 or write us at Farmers State Bank of Camp Point, PO Box 20, Camp Point, IL 62320. You should also call the number or write this address if you believe a transfer has been made using the information from your check without your permission.

Illegal Transactions. You may not use your ATM, POS, or Debit Card, or other access device for any illegal or unlawful transaction, and we may decline to authorize any transaction that we believe poses an undue risk of illegality or unlawfulness. Notwithstanding the foregoing, we may collect on any debt arising out of any illegal or unlawful transaction.

Business Days. For purposes of these electronic funds transfer disclosures, our business days are Monday through Friday. Holidays are not included.

Stop Payments on ATM, POS, or Debit Card Transactions. You may not place a stop payment order on any ATM, POS, or debit card transaction.

Documentation.

Periodic Statement. You will get a monthly account statement from us. You will get a quarterly statement from us on your savings account. If this is the only account you maintain and the only possible electronic transfer to or from the account is a preauthorized deposit. If you have a passbook account, you may bring your passbook to us and we will record any direct deposits that we made to your account since the last time you brought in your passbook.

Direct Deposits. If you have arranged to have direct deposits made to your account at least once every sixty (60) days from the same person or company, you can call us at (217)593-7756 to find out whether or not the deposit has been made.

Our Liability for Failure to Make Transfers. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will **NOT** be liable for instance:

- If, through no fault of ours, you do not have enough money in your account to make the transfer.
- If the money in your account is subject to legal process or other claim restricting such transfer.
- If the transfer would go over the credit limit on your overdraft line.
- If circumstances beyond our control (such as fire or flood) prevent the transaction, despite reasonable precautions that we have taken.
- There may be other exceptions stated in our agreement with you.

In case of Errors or Questions About Your Electronic Transfers. Telephone us at (217) 593-7756, or write us at Farmers State Bank of Camp Point, PO Box 20, Camp Point, IL 62320 as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

- Tell us your name and account number (if any)
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

REGULATION E DISCLOSURE
(Continued)

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty five (45) days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account.

If a notice or error involves an electronic fund transfer that occurred within thirty (30) days after the first deposit to the account was made, the error involves a new account. For errors involving new accounts, or foreign-initiated transactions, we may take up to ninety (90) days to investigate your complaint or question. For new accounts, we may take up to twenty (20) business days to credit your account for the amount you think is in error.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

Confidentiality. We will disclose information to third parties about your account or the transfers you make:

- To complete transfers as necessary;
- To verify the existence and condition of your account upon the request of a third party, such as a credit bureau or Merchant; or
- To comply with government agency or court orders; or
- If you give us written permission.

Notices. All notices from us will be effective when we have mailed them or delivered them to your last known address on our records. Notices from you will be effective when received by us at the telephone number or the address specified in this Agreement. We reserve the right to change the terms and conditions upon which this service is offered. We will mail notice to you at least twenty one (21) days before the effective date of any change, as required by law. Use of this service is subject to existing regulations governing your account and any future changes to those regulations.

Enforcement. In the event either party brings a legal action to enforce this Agreement or collect amounts owing as a result of any Account transaction, the prevailing party shall be entitled to reasonable attorneys' fees and costs, including fees on any appeal, subject to any limits under applicable law.

Other Provisions. There may be a delay between the time a deposit is made and when it will be available for withdrawal. You should review our Funds Availability Policy to determine the availability of the funds deposited. We reserve the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account.

Caution. Never insert your card or enter your Pin in any terminal that does not look genuine, has been modified, has a suspicious device attached, or is operating in a suspicious manner.
